

Substance Abuse Prevention Skills Training (SAPST)

Building Our Behavioral Health Workforce

June 18 - 21, 2018

9:00AM to 4:00PM

Each Day

SAPST is a foundational course of study in primary prevention of substance abuse. This course is for new and seasoned coalition members or coordinators who want to learn how to:

- Address primary prevention of substance abuse in the context of behavioral health and public health
- Improve coalition efforts by developing a comprehensive approach to prevention using SAMHSA's Strategic Prevention Framework
- Sustain prevention efforts by collaborating effectively across sectors to address shared risk factors and improve health and wellbeing of communities in a cohesive way
- Develop a basic primary prevention logic model.

SASPT is key to building the workforce capacity of coalitions in the states.

- Introduces concepts and knowledge essential to delivering effective, evidence-based substance abuse primary prevention
- Develop skills needed to apply SAPST to daily coalition efforts
- Detailed guidance for implementing each of the five steps of SAMSHA's Strategic Prevention Framework.

The State is offering a **SAPST for Native Americans**, date & time to be determined. To receive information regarding this event, contact Raina at mary.zwadzich@wisconsin.gov.

Registration will be based upon availability as capacity is limited.
