

## LODGING SCHOLARSHIPS

It is anticipated that funding for lodging scholarships will be available. First preference for scholarships will be to those willing to share a room. To lessen any confusion, please confirm with your intended roommate that he/she will be attending the conference and wishes to apply for a lodging scholarship. We are unable to confirm a lodging scholarship until both roommates have registered for the conference.

Once scholarships have been awarded to those willing to share a room, any remaining scholarships will be awarded to participants requesting a single room.

We are unable to accommodate family members.

Scholarships are only for lodging; recipients must pay the \$75 registration fee.

To apply for a scholarship, complete and submit the scholarship section on the registration form by July 18, 2018.

If you have any questions about scholarships, contact Myra Longfield at [Myra.Longfield@usdoj.gov](mailto:Myra.Longfield@usdoj.gov) or (608) 250-5461.
